

# Join us this spring to learn how to manage your finances!

**ALL WEBINARS BEGIN AT 4 P.M. (CT) ON ZOOM.  
CLICK ON THE SESSION TITLE TO REGISTER.**

Each session below is about 50 minutes long and includes a Q&A.

Attend these sessions to learn how to better manage your money and make informed financial decisions.

---

**JANUARY 27**

**[Managing Your Student Loans](#)**

It's important to know what you owe. In this session, you'll discover repayment options for your federal student loans and learn about the impact of certain academic decisions on your repayment.

---

**FEBRUARY 08**

**[Plan and Spend](#)**

Good money management habits can have a lifetime of value. In this session, you'll learn how to create spending plans and cash flow statements, how to understand and differentiate needs and wants, and how to track where your money is spent.

**FEBRUARY 24**

**[Monitor and Protect](#)**

Awareness is key to protecting your money. Learn the warning signs of fraud, scams, and identity theft, as well as how to respond to them in this session.

---

**MARCH 08**

**[Save and Build for the Future](#)**

Saving for an emergency, a home, and retirement starts now. In this session, you'll learn about different types of bank accounts and investments, how they're used, and why they're important.

**MARCH 24**

**[Borrow Smart](#)**

Credit decisions can have long-lasting effects. In this session, you'll learn about types of credit, interest rates, credit reports and scores, credit to avoid, and how to resolve serious debt problems.

---

**APRIL 05**

**[Work and Earn](#)**

Getting prepared for the working world is easier with resources and support. In this session, you'll learn how to interview, and negotiate salary, and land a job. You'll also learn about payroll taxes and deductions on your paycheck.

**APRIL 19**

**[Being Smart About Student Loans](#)**

In this session, you'll learn the importance of tracking both federal and private student loans, as well as the implications that loan mismanagement can have on their credit histories.

**APRIL 28**

**[Plan and Spend](#)**

Good money management habits can have a lifetime of value. In this session, you'll learn how to create spending plans and cash flow statements, how to understand and differentiate needs and wants, and how to track where your money is spent.
